

# October Newsletter

**MESSENGERS OF HOPE**

## We hope that you are doing well.

Recent events in Las Vegas and ravaged areas left by the storms have inspired me to pray and do more. Our prayers matter and so do our actions, no matter how much time we can give. Loving people is the best we can do.

I remember when our oldest daughter was born. We were new parents and she was crying uncontrollably. My wife was not sure what to do. I pulled my baby girl up close to my body and snuggled her. The only thing I knew to do was love her and bring her close to my heart.

When we reach out to others we are bringing them close to God's heart since we are His body in the earth. No matter how hard times get, your smile, touch, kind word, or gift can make a big difference. #LetLoveLead as my friend, Pastor Bill Bennot says.

We are facing a hard area on our trip next week and ask for your prayers. According to reports of the area, the church is weak and divided and needs the Lord to show up and move in a powerful way to renew their strength.

## Bicycle Giveaway!

At each Leader's Conference, the bicycle giveaway is the icing on the cake! It changes the family dynamic where the wife no longer has to carry wood or water on her head but now the pastor can load on the bicycle.

In addition, the local church is alive with hope because something good happened to their leader and it spills over into the community.

To see the joy that comes to the pastors when receiving a bicycle, [click here](#).

## Great News!

Since our last newsletter we have more great news! Beside the fact that we have 3 fully funded water wells that are in process of installation, we have a commitment from a group of friends for another Christian Community Center building which is a \$10,000 investment. We will be having a Grand Opening Celebration with community leaders and the church for 2 of the buildings. These are exciting events.

Our upcoming trips has 5 special events:

- 2 Pastor and Leader Conferences
- 2 Evangelism Crusades & Building Dedications
- 1 Leadership Appreciation Banquet

In all these events, we provide meals which is a big encouragement for those attending. It cost about \$14 per leader for a 3 day conference. Presently we need \$5500 to meet our budget. All donations are tax deductible as we are a registered 501(c)3 non-profit.

Please consider giving any amount and sharing our mission with those around you. Together we can make all the difference. [Click this link to give.](#)

Thank you for your friendship. Please let us know how we can pray for you. God bless you richly!  
David Hacker / Co-Founder & Director
