# MESSENGERS OF HOPE

August- September 2018 Newsletter

# Effectiveness

Our focus this month is effectiveness. In reflecting on the past 5 years of ministry we consider the following the best ways for us to impact Uganda.

1. Pastor Conferences are the most effective part of our ministry because it provides fellowship for pastors. Many are poor and disconnected. The environment gives them a place to connect. The conferences give them a place to network and interact to help one another.
2. Training and Information provide edification, skill development. Most have no training so the conferences give a better and broader view of ministry.
3. Encouragement is a big part of the ministry. By loving, praying, feeding and worshipping together, the pastors receive hope. Bibles and bikes are a big blessing at the end of each conference.
4. Water impact communities for a long time.
5. Buildings will last multiple generations but without leaders the buildings will be empty. Europe has many empty church buildings and no leaders to teach.

Our hope for the future is that in 5, 10, 20+ years we will go to Uganda and see families strengthened, leaders flourishing, corruption eradicated and lives continuing to be transformed.

Kamuli International Christian Centre  
construction is underway. Thank you  
Factory Church!

Transformation of Uganda is our mission. The future is bright for Uganda as they have one of the youngest populations in the world.

# Thank you for your prayers and support.

We still need \$11,000 to meet our budget for our October 19th-29th missions trip that includes Pastors & Leaders Conference in Masindi, a Senior Pastor Summit, Evangelism Crusade and Building Dedication.

\*Our budget does not include our travel expenses.

If you are interested in partnering with us you can give online through [www.messengersofhope.us](http://www.messengersofhope.us) or you can send a check to our new office address: Messengers of Hope, Inc. 3380 Trickum Road, #200-200, Woodstock, GA 30188.
