

Across Uganda and Home Again

April 2016

What happens when desperate leaders come together for three days to be poured into by other leaders who desperately want God to move? Inspired hope, miracles, empowerment and change! God truly moved in our three conferences in Kampala, Kibaale and Bigiri. We are humbled by what God is doing in Uganda. Pastors and Leaders are taking it back to their churches and communities!

Pastor Mark Nysewander, Pastors Greg and Annette Pusateri, Pastor Barbara Walter and David Hacker from the U.S., Bishop Elijah Sebuchu, his Resident Pastor Richard Kisakye at Kampala International Christian Centre (KICC) and a team of other powerful servant leaders ministered to over 2000 Pastors and Leaders in 3 conferences. We fed all the leaders 3 meals per day and at the end of each conference we gave out 10 Bibles and 5 Bicycles to long-serving pastors. It was transformative and humbling to be part of this team.

We also spent two days visiting Hands of Love Schools and witnessing the great work that Elijah Sebuchu and his team have done to serve over 1800 children in two locations. Their schools are highly ranked in the nation. Our teams always visit this awesome work of God. The mostly orphaned children are not only getting a valuable education but they are being transformed by love and hope that will carry them into their purpose. We got to speak to many of them and pray for them.

The conferences at KICC and Faith Healing Center in Kibaale had double the attendance than what we expected. Fortunately, the resources came in at the last minute to make it happen. It is an honor to serve these pastors and leaders from several different regions and networks. Thank you to those who have partnered with us! May the Lord bless you!

Bishop Elijah Sebuchu is a man of God and co-founder with David Hacker of Messengers of Hope. Together with our American team and his KICC team we are taking these conferences to the Body of Christ at large across Uganda. He speaks into the lives of leaders as a true father to the nation by admonishing and casting vision with the 7 Mountain Strategy. Religion, Family, Business, Government, Arts & Entertainment, Media and Education are the 7 cultural mountains that influence the world. Whoever controls those mountains controls the world. The power of his message is that he and his team are living it and their example has tremendous impact. Isaiah 2:2 says ***“Now it shall come to pass in the latter days that the mountain of the LORD’s house shall be established on the top of the mountains, and shall be exalted above the hills; and all nations shall flow to it.”***

CHURCH BUILDINGS and WHOLE LIFE MINISTRY

Our building construction initiative will begin in May with the first building going up in Kyunga Dsistrict for Busaana International Christian Centre (BICC). The cost is \$10,000 which we have and will be sent to the local team to build the structure. The building will not only be used for church but also for whole-life ministry for empowering the local believers to transform their community. The local church will have periodic leadership training, medical mission teams, education opportunities, business training and other uses to bless the community. **If you want to be part of a team to help build a church building, provide a program or contribute financially please contact us.**

Please follow us on Facebook – Messengers of Hope, Inc.

All contributions are tax deductible as we are 501(c)3 non-profit registered in Georgia.

We have two conferences scheduled in October 2016 and invite you to partner. There are two ways to give:
