

We are so thankful for what God is doing and for you our friends and partners. We had a successful mission at the end of October in Uganda.

[Click here](#) to view a slideshow of photos from the trip. Here are some highlights:

We started mission visiting Hands of Love Kiteezi School where Pastor Greg Pusateri gave out art supplies to art students. The children performed songs for us and I got to visit some of my sponsored children.

Church Dedication in Busaana where the community celebrated the opening of the first church building of its quality in the area. A member of Parliament attended and committed to helping the church grow through its community efforts.

2 Pastor and Leaders conferences in Gulu and Kiryandongo District where leaders from all evangelical churches came together for the first time. If this was the only thing accomplished, it was big. We also personally prayed for many pastors and leaders and their needs. Through my prayer time as in other times I was struck by the women in the villages. The hardships that many have lived through is remarkable. They almost all had no husbands, cultivated their food, raised their children on their own, now raise grandchildren. Because of the culture it is estimated that 90% of women in rural villages were sexually assaulted. These women are precious and need God's love.

Evangelistic Outreach in Namwendwa where over 30 people gave their lives to Christ. There were many children at this event and I got to dance with them as they followed my every move. It was a great time.

Church dedication in Namwendwa where the hundreds from the community came to celebrate the opening of the building. It was a remarkable event that the Speaker of Parliament (#3 in the nation)

attended and addressed the church and community.

These buildings are centers for the community and bring hope. We will have Bible training, business training, and medical teams coming through each of the buildings.

Since returning, we received commitment for funding for 2 water wells along with the funding for another building! God is good.

Thank you for prayers and support. None of this would have been possible without you. If you would like to make an end of the year contribution, [click this link](#). All donations are tax deductible as we are a registered 501(c)3 non-profit.

We hope you have a wonderful Thanksgiving with your family.
God bless you richly!
