MESENTERS OF HOPE

February News From Messengers of Hope

I hope all is well with you. 2019 has brought opportunity! With opportunity comes challenge but the greater the resistance the more the powerful the release. Think about a bow and arrow. May we all hit the mark this year!

We are excited about our upcoming teams going in March and April. Victory Church in Acworth, GA is taking a team to minister to leaders, churches and Hands of Love Schools. They will also be dedicating a church building they sponsored in Luweero. This is very exciting for the community and for us to have such great friends to join with us.

We have a team at the end of April that includes Pastor Keith Norman of the Factory and several others including me. We will be part a Pastor & Leaders Conference at KICC with Bishop Elijah Sebuchu and a Senior Leaders Summit as well as dedicating 3 water wells that the Factory sponsored. Our team will also be ministering at Hands of Love Schools. We are thankful for the opportunity to serve!

Our ministry focus this year is on encouraging leaders in discipleship by considering their framework. I recently taught a class at Atlanta School of Ministry based on the book Building with Balance by Chad Craig that discussed framework and holistic discipleship. My marriage, home life with children, business dealings, ministry management, relationships inside and outside of church, physical fitness and personal time are included in the holistic approach. God's way and character is needed in every area. I may miss the mark at times but my heart is focussed on Him and

coming of our Lord Jesus Christ." May we all be found blameless!

We need to raise \$13,000 for our upcoming Conference and Senior Leaders Summit in April. If you are inclined to give we appreciate it greatly. You can give through our website by clicking the blue Donate Here button below, or send checks to:
