## Happy New Year!

I want to thank you again for your generous support for our ministry in East Africa. As we enter our 6th year of ministry we have a lot to be thankful for. We have ministered to over 5,000 leaders. As you know our goal is to encourage and train leaders to invest in the children of their nation, to model Christlike families with biblical leadership.

Our main method of turning leader's hearts to children is conferences. At conferences we fund 3 meals per day for 3 days, provide bicycles and Bibles for some and personally pray with leaders. All these things bring encouragement and hope to these precious people.

**Here are some highlights of all that was accomplished from our inception:**

- 2014 - Prayer and vision casting
- 2015 - 5 Pastors & Leaders Conferences in Uganda over 2 trips  
Ministry times at Hands of Love Schools
- 2016 - 5 Pastor & Leader Conferences in Uganda over 2 trips

- 2017 - 4 Pastor & Leader Conferences in Uganda over 2 trips  
3 water wells completed with funding from The Factory Church  
2 Church/Community Training Center Buildings completed  
Significant medical supplies from Victory Church for Hands of Love Clinic  
Ministry time at Hands of Love Schools
- 2018 - 3 Pastor & Leader Conferences  
1 Senior Leaders Summit  
2 Church/Community Training Center Buildings completed  
2 Senior Leader meetings in Kenya

In 2019, I am pleased to say we have 5 different teams including several different church groups scheduled to go on trips. Teams will go in *March, April, July and October*.

At this point we have coordinated funding for 5 water wells and 2 buildings through partner ministries. Our goal is 100 Church/Training Center buildings with water wells in Uganda over the next 5 years and implementing our Leadership Training/Discipleship School to develop pastors and leaders to be more effective.

Together we make all the difference.
